

# Shropshire Affordable Warmth Conference

Tuesday 20th November  
1pm – 4.45pm

The Gateway, Chester St,  
Shrewsbury SY1 1NB

Hosted by....

Keep Shropshire  
**Warm**

## Session 1 - Affordable Warmth Forum

What help is available in Shropshire this winter? Participants to share their current Affordable Warmth activities/offer.

## Sessions 2 & 3 - Workshops

Participants to attend two of the following:

- Heating and insulation funding - what is available, who qualifies and what can they expect?
- Low cost solutions for householders - the lowdown on simple energy efficiency measures, like radiator panels and draught proofing. Will include practical demonstrations!
- Rural off-gas heating - an introduction to the current technologies available to householders on a limited income.

Workshops will be hosted by Keep Shropshire Warm, however, we welcome any expertise you are able to bring. If you are interested in collaborating, please indicate this when you book.

## Session 4 – Where next?

How can people and organisations in Shropshire support each other to reduce fuel poverty in Shropshire? An open session to develop a series of next steps.

### Booking a place

To attend the conference, please book a place at <http://bit.ly/2D6cUZp> or contact us on the details below. Early booking is recommended so we can accommodate everyone and provide your first choice of workshops. The conference is free to attend.

For more information contact [oliver@mea.org.uk](mailto:oliver@mea.org.uk) or telephone 01743 277114. Keep Shropshire Warm is a partnership between Marches Energy Agency and Shropshire Council.
